In the summertime

Trinity Lutheran School's Summer Camp Program is committed to educating the whole child. Both body and soul during the summer months. Providing for the student's spiritual, moral, social, physical emotional and intellectual growth is what we are all about!

## ▶ Safe, Fun, Educational... Christian!

At Trinity Lutheran's Summer Day Camp our purpose and goals are to:

**A Day In The Rain!**

- ◇ Help children develop spiritually through a Christian environment where God's grace and love is practiced.
- ◇ Make every child feel secure, important and safe.
- ◇ Help children develop physically through gross and fine motor activities.
- ◇ Help children develop emotionally through recognition of their own feelings and those of others.
- ◇ Help children develop intellectually through stimulating, age appropriate activities.
- ◇ Help children develop socially by providing opportunity for social interaction.

## Field Trips, Swimming and More!

We believe that children learn best by hands on activities. That is why the children are constantly on the GO! We offer many different activities for the children to be involved with. Those activities may include but are certainly not limited to...

Fun at Chuck E Cheese's!

- > Children's Museum
- > Lincoln Children's Zoo / Henry Doorly Zoo
- > Parks and Pools
- > Champions Fun Center
- > The list goes on....

Summer Camp is "ZOO" Fun!

## The Program...

Trinity's Summer Day Camp is fun and flexible but we do operate under a daily schedule. Art work, games, reading, swimming lessons, and snacks are done in the morning. Most field trips occur after lunch. Weekly activities and themes are posted and are available to all families on a weekly basis.

We offer a summer reading program, swimming lessons, crafts and different hobbies, weekly visits to the Public Library, and so much more!

Vacation Bible School is also a part of our Summer Camp!
